alms to virtor (ii. ) 1001 1 11: that will stry put it is eath or monor for the in hi cir. court to be short off last at change of the particle with at portion of wher you want no interruption | bug the price onch to make it #£ 18 могже Пяят честь госотав и с so our next!! lost rip costing ( ) plete in one issue

annute a study of the light situa tion in Dollian We have discovered, by long practice, that when the lights go out sudden, as if you had whiffed a candle out, that the current is switched on again soon If the light grows dimmer and dimmer, like the varishing signals on the rear of a train, it may be a minute or two before it is finally shut off, but it will shut off, and stay off for some time

There is a growing demand for kerosene oil, and some of the old a way that makes an impression Lamps that have been stored for years, have been looked up and put to smelling

If the lights are to be turned off, personally, we would select the tast half of the night, and before this thing becomes too common, we hope the citizens will be allow. ed a vote on the matter. It is a something in it that will pleas rude trick to switch the lights off the books and papers of a busy town, taking its case

#### Looks Like a Good Job

About everything has been said shout the siret paying except a word of praise, now that the work; is almost finished, and there is manes nothing to do but dump ors. The job seems a success, but there are so many people with a ed from doing business six or eight months behind a million nish work at good pay for all who brick piled in front of their places of business that they don't feel like saying anything good for the contractors We have never been contractors Iked about and marked bad point out the bad ones. The in- will fell in, one by one spection seems to have been therough, and the brack fit so well till Suckle, during a continued tain the two bill to and dampness

### HORSE FALLS IN DITCH

A blind horse, the property of 索查查查查查查查查 M. J. Patterson, was found wedged in a sewer ditch last Dight. 🍪 where he had wandered after being undied.

The borse was hitched to a bug-i 🕸 gy and in some way had gotten 🦝 lnose, and being blind, fell into the ditch which had been opened for a water pipe for the new high school building.

Casidents in the vicinity of the corner of Alice and Burdeshaw! streets heard the groans of the unlucky animal and made an investigation. Officers were notified and worked for several hours trying to get him out, but were unable to do so.

The horse was found dead this morning.

Walter Smith is seriously ill with typhoid fever at the home of his mother on West Washington street. A trained nurse from Montgomery arrived this morning to attend his bedside.

A. L. Williams, of Pannina City. is here today visiting friends and

#### Cuba's Silent Forests

Silence reigns in the vast forests of Cubs. Says a traveler; "o beast crashes through the undegrowth, no birds sing in the branches, no winds sigh through tures of that world glance noisesteathily through the heavy and the beavy and the steathily through the heavy and the steathily through th practically no song birds; they grown persons, Foley's Honey and are merely gaudy createures of Too is best and safest for all colds the ballroom. # REMARKABLE NOVEMBER BUSINESSIE

We believe no house in the State had such an increase in business as the house of Saxon-Heard-Williams had in November.

The people nowadays recognize clean merchandising methods and respond quickly to the efforts of a store handling clean merchandise rightfully priced. You will always find here—bargains without bluster or bluff—fine goods without fuss or extravagance. November business was great—but we will make December greater—for each day we will have a special SHEKEL SAVING SALE

If you fail to read our adds you loose more than we do.
